Tafsiri / Translation

I greet you in the name of Jesus Christ. I am healthy, and my family is doing well. I hope that you and your family are also healthy and doing well. The holiday went well; we celebrated at home together with friends. My favorite song is "Jingle Bell Song." This year, 2026, I have entered sixth grade. I am doing well in my studies at school. I like playing netball, and among my subjects, I prefer science. Right now, the weather is rainy, and it rains every day. In general, there is no snow in Tanzania. I also like keeping chickens, rabbits, goats, and cows. I wish you a good time together with your family. May God continue to protect you every day.
